The Changing Face of New England No. 1

**The cumulative social impact
of the New England REZ on
our communities**

**Wednesday 6th September
Armidale Bowling Club
5.30 – 7.00 pm**

**RSVP essential
All questions from the floor**

*It has been noted that the
introduction of the New England*

*Renewable Energy Zone has torn communities apart and
created tensions among landowners.*

*There has been much criticism of the way in which projects have been
introduced without overall co-ordination or community preparation.*

*This has alarmed our councils who have to oversee some of these
developments and manage any future financial windfalls.*

We invited three local Mayors to answer your questions.

Panel

Cr. Sam Coupland - Mayor of Armidale Regional Council

Cr. Robert Bell - Mayor of Uralla Shire Council

Cr. Eric Noakes - Mayor of Walcha Council

Everyone interested is invited. Your RSVP **by email only** is **essential**.

A donation of \$5.00 at the door is requested to cover speaker gifts and other expenses.

Please email your RSVP by **5.00 pm Monday 4th September** to
